

Mapco[®]
Corporation

Company Profile:

Mapco Corporation (Lubricants) is an established organization, focusing to meet the need of industry in the field of automotive and industrial Lubricants under the brand name of **Mapco**.

Mapco Corporation is situated at Navi Mumbai (Maharashtra) India and was established in 1998. The management has with its Innovative solution passion & vision to develop and manufacture special lubricants that offers unique quality. Company persuades this goal persistently with a clear view for the future.

Infrastructure:

Our state-of-the-art infrastructure plant, of modern design. All equipment's are to the highest industry standard with fully supported by technical representatives and engineers. This gives not only immediate access to the latest industry techniques, but also flexibility and independence allied to substantial cost savings. Laboratory compliments the plant with the latest equipment, including atomic absorption. Our qualified and experienced chemists check all lubricants output. **Mapco** has established a reputation for unmatched technical support and liaison with customers thus ensuring correct choice and applications of lubricants.

Quality : Our Forte

Always attaining the best quality is forte of our company. We are dedicated to offer excellent automotive and industrial lubricant that is rare to be found anywhere else. Our quality analysts are engaged in maintaining strict quality control and high performance of automotive and industrial lubricants that we provide which has been vital factor for our success.

Delivery:

We are highly appreciated for our time lines. As we are committed for commitment to deliver the orders to prescribed destinations, within stipulated time frame. This has been successful because of our excellent logistics services and well-maintained transportation services.

Mapco obtained a healthy share of this market sector by product excellence and upgrading market criteria.

That's why we say:

"It's Lubricants. It's Mapco"

Synthelo Engine Oil 5W-40 / 10W-30 / 10W-40

Details : It is a synthetic engine oil that provides enhanced fuel economy and longer engine life due to its higher viscosity retention. It further complies with the global standard viscometrics for fuel conservation.

Benefits:

- Processes outstanding oxidation stability
- Cold start up engine protection
- Longer service intervals

Specification : API SN

Available Packaging : 3L, 3.5L, 50L, 210L

4T Power Advance Engine Oil 10W-40

Details: It is formulated from synthetic blend high quality base stocks. It is a quality 4-stroke oil developed specifically to meet special requirement of air cooled motorcycle. It is blended from highly refined base oils and performance additives to provide protection to engine, gear box and wet clutch. Recommended for air cooled 4-stroke motorcycle manufacturers.

Benefits :

- Smoother gear shift
- Fuel economy and reduces friction
- For quick start and more mileage

Specification : Meets API SN JASO MA 2

Available Packaging : 900ML, 1L, 50L, 210L

4T Power Plus Engine Oil 20W-40

Details : 4T power is a quality for 4-stroke engine oil developed specially to meet special requirement of air cooled 4-stroke motorcycle. it is blended from highly refined base oil and performance additives to provide protection to engine, gear box and wet clutch used in 4-stroke motorcycle.

Specification : Meets-API-SM/ JASO-MA 2

Available Packaging : 900ML, 1L, 50L, 210L

4T Super Plus Engine Oil 20W-40

Details : It provides smoother engine performance, smoother gear shift. It is a superior engine oil meant for the toughest driving conditions. It ensures rapid oil flow through the engine, reduces friction, engine wear and clutch slippage resulting in smoother engine performance and gear shift. Suitable for all Bajaj, Yamaha, Hero Honda, LML and other 4 Stroke Bikes.

Specification : Meets -API-SL/JASO-MA2

Available Packaging : 900ML, 1L, 50L, 210L

4T Silver Plus Engine Oil 20W-40

Details : It is a super quality engine oil, formulated from advance additive package.

Benefits : Smoother engine performance, smoother gear shift. It is a superior engine oil meant for the toughest driving conditions. It ensures rapid oil flow through the engine, reduces friction, engine wear and clutch slippage resulting in smoother engine performance and gear shift.

Specification : API S J

Available Packaging : 900ML, 1L, 50L, 210L

4T Force Engine Oil 20W-40

Details : It provides smoother engine performance, smoother gear shift. It is a superior engine oil meant for the toughest driving conditions. It ensures rapid oil flow through the engine, reduces friction, engine wear and clutch slippage resulting in smoother engine performance and gear shift. Suitable for all Bajaj, Yamaha, Hero Honda, LML and other 4 Stroke Bikes.

Specification : API SG

Available Packaging : 900ML, 1L, 50L, 210L

Gas Power Plus Engine Oil 20W-50

Details : It is a superior quality multi grade gas engine oil. Specially developed for CNG and LPG engines. It ensures rapid flow through the engine thus reducing friction resulting in smoother engine performance. Suitable for Auto Rickshaws, Cars & Taxis.

Specification : Meets-API-CF/SF

Available Packaging : 500ML, 1L, 3L, 3.5L, 50L, 210L

Platinum Plus Engine Oil 15W-40

Details : Mapco Platinum Plus engine oil 15W-40 is a superior quality multi purpose diesel engine oil. The oil is designed for the most severe performance requirement of modern, highly rated turbo charged diesel engine in the over highway operations. The oil is having excellent shear stability to maintain viscosity under severe, high temperature operations.

Specification : API CF4, CH4, CL 4, CL4 PLUS

Available Packaging : 500ML, 1L, 3L, 5L, 7.5L, 10L, 15, 50L, 210L

Gold Engine Oil 20W-40

Details : Ideal for heavy load applications, SDT - (Special Dispersant Technology) Mapco Gold is specially formulated product which resist soot related oil thickening arising in vehicles carrying heavy loads and all diesel & petrol engines operating in severe conditions.

Specification : API CF / SF

Available Packaging : 500ML, 1L, 3L, 5L, 7.5L 10L, 15L, 20L, 50L, 210L

Gear Oil EP-90/EP-140 / 80W-90

Details : Mapco Gear Oil EP-90/EP-140 is formulated for all types of light and heavy vehicles to excellent performance.

Benefits : Extra protection for gear system, long life of gear components smooth gear shifting.

Specification : Meets-API-GL-4/GL-5

Available Packaging : 500ML,1L, 5L, 20L, 50L, 210L

Multipurpose Grease

Details : Mapco Multipurpose Grease is specially formulated with advance additive package. It provides excellent and uniform lubrication to components and bearings. Long life Gel Grease.

Specification : NLGI-3

Available Packaging : 1/2kg, 1kg, 2kg, 3kg, 5kg,18kg,180kg

Hydraulic Oil - 32/46/68/100/220/320/460

Details : Mapco Hydraulic Oil are premium quality anti-wear lubricant formulated with superior quality of hydro treated base stock. Thus providing long service life and are recommended for hydraulic and circulating system of wide variety of equipments.

Specification : Meets: 10522-1983

Available Packaging : 5L, 20L, 26L, 50L, 210L

Industrial Gear Oil

Details : Mapco Industrial Gear Oil are premium quality industrial gear lubricants having excellent thermal and oxidation stability, good demulsibility, low foaming tendency provide rust & corrosion protection to metal surfaces.

Specification : Mapco Gear- SP-46, SP-68, SP-100, SP-150, SP-220, SP320, SP-460.

MAPCO INDUSTRIAL RANGE LUBRICANTS

- AIR COMPRESSOR OIL
- SHOCK ABSORBER OIL
- INDUSTRIAL OPEN GEAR OIL
- SOLUBLE CUTTING OIL
- SYNTHETIC CUTTING OIL
- GEN SET OIL
- GENERAL PURPOSE MACHINERY OIL
- TURBINE OIL
- HEAT TRANSFER OIL
- **MAPCO** ALL PURPOSE OIL
- REFRIGERATION COMPRESSOR OIL
- CYLINDER OIL
- INDUSTRIAL GEAR OIL
- NET CUTTING OIL /STRAIGHT CUTTING OIL
- RUST PREVENTIVE OIL
- PUMP SET OIL
- LOOM OIL
- QUENCHING OIL
- BOILER CLEANER OIL
- LITHIUM GREASE MP-3
